Wanted: Regional Host for Global 2020 Discipleship Summit

Global Vision 2020 will not reach it's goal without the partnership of motivated Pastors. Our annual Global 2020 Discipleship Conference will be held in Canton Ga. We are, however seeking to be a blessing to GV 2020 Member Churches by coming to their area and hosting a GV2020 Discipleship Summit.

These summits are designed to foster regional relationships between Pastors; bring local visibility to your church for future growth and to train existing members in the area of Discipleship.

As a Global Vision 2020 members Church, you are investigating into areas that will bring a return investment to your local church. As it relates to African American churches, we are way behind on teaching, training and implementation of souls winning, discipleship making and church planting. The Embassy Global Ministry Network has been commissioned by the Holy Spirit to make a difference. Our founders have over 70 years combined experience in Media, Ministry, Marketing and Missions. When experience, integrity and vision is important, we encourage you to consider becoming a Global Vision 2020 Regional Host for a Discipleship Summit. When having church is not enough....

"We wanted to create a professional - high quality rendering of our future ministry facility that would bolster enthusiasm... [With www.WorshipSpaces.com] this project was finished in record time and within our comfortable budget guidelines."

Rev. Clint Jett
Victory Christian Center
Macon, GA

"WorshipSpaces.com allowed us to visually compare various styles side by side, without the expense of having an architect draw up each set of plans. For start-up churches ready to build their first building, what an economic blessing it is to have such a variety from which to choose."

Pastor Barry Bradley
First Baptist Church
Orange, TX
